REPUBLICAN CENTRAL COMMITTEE PASS RESOLUTIONS

The County Republican Committee held an important session at the court house on Saturday last. Members from all sections of the Peninsula were present. It was one of the most enthusiastic meetings ever held by the committee. Arrangements were made for the coming primary election on May 4th. The Republican County Committee of San Mateo county, California, in regular meeting assembled, deems it proper to give expression to its wishes and hopes respecting the very important question now occupying the minds of the American people.

Senator Hiram W. Johnson, of California, is the most formidable candidate for the highest office in our country: California feels proud that her favored Son is making gigantic strides toward political success, and we feel that no uncertainty should prevail with respect to our wishes, hopes and desires upon the subject of our choice as to the nominee of the Republican party for President of the Unite dStates:

Be it therefore,

RESOLVED, that we do hereby pledge our united and personal fealty assistance and efforts to Senator Johnson, and express our hope and wish that he will be nominated and elected as the next President of the United States; and be it further

RESOLVED: That representing the Republican party of San Mateo county, we pledge our assistance, hopes and best efforts to Senator Johnson in his efforts to secure the nomination of our party for the office of President, and if such nomination is by him secured, we will continue to work and labor for his election, and bespeak on his behalf the united support of all of the Republicans of San Mateo county, and a very fair proportion of support of all other voters irrespective of political complexion.

Ernest Werder presented the following resolution endorsing the candiacy of Frank L. Eskward for the assembly. It was seconded by Carl K. Mabie and unanimously adopted:

Hon. Frank L. Eskward has announced that he will be a candidate for re-election as assemblyman of the Forty-second Assembly District of California. Because of the work done by Mr. Eskward as a member of the Assembly, representing San Mateo county, the Republican County Central Committee of San Mateo county wishes to make known the following resolution:

WHEREAS, Hon. Frank L. Eskward has faithfully represented San Mateo county in the California State Legislature for the past four years, and,

WHEREAS; He has always worked for the best interests and welfare of his constituency, giving the people of this county an honest and consistent representation, therefore be it

RESOLVED; That the Republican County Central Committee most heartily endorses Mr. Eskward's candidacy, and hereby urges all good Republicans who care for the continuation of San Mateo county as a political entity to support and vote for him so that he may continue to represent San Mateo county in the State Legislature of California.

All members are requested to attend the meeting to be held on April 29, 1920.

THE SUPERVISORS HOLD MEETING

The board of supervisors met in regular session Monday, April 19, at 10 a. m., there being present Chairman John MacBain, presiding; T. L. Hickey, Mrs. Rosalie M. Brown, Jos. M. Francis and Dr. C.V. Thompson.

Attorney J. E. Harper of San Francisco appeared before the board in the matter of the claim that had been presented some time previous by Miss Kathryn Fisher for the reward of $500 offered by the supervisors for information leading to the arrest and conviction of the person responsible for the death of Miss Inez Reed, army nurse, about a year ago. Attorney Harper addressed the board in the matter, stating that inasmuch as Dr. Ephraim Northcott had been sent to San Qpentin folowing the recent action of the supreme court in refusing to rgant a new trial, that Miss Fiser, who had furnished the information resulting in his arrest and conviction, was entitled to the reward.

Supervisor Thompson said he had read in the paper that the case was to be appealed to the United States supreme court and that if this was he case he was not in favor of paying the reward until the matter had been disposed of.

District Attorney Swart, to whom the question was referred at the meeting, stated that it would be impossible to appeal a case of this kind to the United States supreme court. The matter of the conviction of Dr. Northcott for the murder is now definitely settled ,the district attorney stated, and Miss Fisher is enitled to the reward, it being her evidence that was largely responsible for the physician's conviction. Swart further stated that if such a thing happened that the case was appealed to the supreme court and the judgment of the lower court reversed, he would be willing to repay the county the $500 paid in the reward.

It was thereupon moved by Hickey, seconded by Mrs. Brown, that the amount due under the reward agreement be allowed. Following further discussion in the matter it wa smoved by Thompson, seconded by Francis, that the first motion be reconsidered, and then, on motion of Hickey, seconded by Francis, a claim in the sum of $475, covering the amount due to Miss Fisher, was allowed, all the members of the board voting "yes" with the exception of Thompson, who voted "no."

The board took up at this time the matter of the petition heretofore presented by Attorney Charles Kirkbride, calling for the annexation of the San Bruno school district to the San Mateo Union High School district. Attorney Kirkbride was sworn and testified as to the facts contained in the petition and also the law governing he matter. He also read a letter from County Superintendent of Schools Roy W. Cloud, showing that the cost of educating each pupil from the San Bruno district at the San Mateo high school was $150 per annum.

Mrs. J. J. Ledwith and Mrs. L. H. Traeger, representing the San Bruno Parent - Teacher Asosciation, addressed the board in favor of the annexation and presented a resolution

The Anglo-California Aniline Corporation was reorganized during the week with added capital and new men in control. On Monday the concern took over the land and buildings of the United States Aircraft Company. It is the intention of the new company to install new equipment and considerable more machinery. Large orders are being received every day from all sections of the country. The dyes made by the concern are superior to any manufactured in the United tates and are finding ready sale everywhere. Heretofore the concern could not fill all orders, but now with the increased equipment and new machinery all orders are to be handled promptly. E. DeLos Magee is the new president of the company. He is a wide awake business man with a wide experience in all business lines. He was the receiver for the California Safe Deposit and Trust Company of San Francisco. BIG COMBINATION MADE BY THREE CEMENT FIRMS

The three big cement firms that recently combined to manufacture cement at the water front have about completed their plans to start the enterprise. It was rumored yesterday that operations would begin in two months. The concern is capitalized for $7,000,000 and it contemplates making big expenditures on the proposed plant. Plans for a number of large buildings are out. Work on these will start very soon. A thorough test has been made of the ingredients at the water front for cement and it has been pronounced absolutely of the best quality by experts.

This plant will be a large enterprise for Redwood City. It is certain to be successful, for the men behind it are wealthy and they are satisfied with conditions and prospects. It is said that 1000 men will be employed from the start.

THE AVIATION DAY CELEBRATION WILL BE BIG SUCCESS

Final preparations for the big May Day celebration were completed at the general committee meeting held last Wednesday evening. From Friday night to Sunday there will be something doing all the time.

Friday night the boxing bouts will be held, the following being the card: Jack Downey, a former local lad, will meet one of the best heavyweights in the state: Dick Donnelly is to meet Willie Robinson, a bout alone that will be worth the price of admission. The rest of the card, Al Anderson vs. Johnny Welsey, Robert Torres vs. Frank Fardella and Chafe Torres is to meet Ted Henry for the third time. These contestants are well know and good bouts are assured.

Saturday at 10:30 a.m. the big parade will start and it will be the largest ever seen in this vicinity. The army, navy, marines ,boy scouts, schools, legion posts, military academies, fraternal organizations will be well represented.

After the race stunt flyers will take the air and the spectators will be given the opportunity of seeing Leon Ferguson, the most daring stunt man in the United tSates today. He outstunts the famous Locklear. One feat is his changing planes in mid-air without the aid of a rope of any kind.

In the evening there will be dancing at two halls. All day sideshows will be running for the entertainment of every visitor and there will be a real good time for all.

It will be a real big day and you can't afford to miss it.

PITCHER FOR SUPERVISOR

Robert Pitcher, the son of Judge Pitcher of Halfmoon Bay, for a number of years mayor of Mayfield, aspires to be supervisor of the fifth district of Santa Clara county, in which is included Palo Alto, Mayfield, Sunnyvale, Mountain View and other towns in that locality. There will be a big scramble for the place. Mr. Pitcher aspired to be sheriff of this county about twenty years ago, but since then he has confined his political activities to Santa Clara county. He is an astute politician, having learned his first lessons at Halfmoon Bay in boyhood, when that place was the hub of politics in San Mateo county. Jack Fleming was then the political boss of that seetion and he had for his subordinates such men as Joseph Ames, J. G. Garretson, John Crowley, Robert Weeks, A. F. Green and others who manipulated politics in those bygone days. These men could give cards and spades to the politicians of today and then win.

Mr. Pitcher was an apt scholar and with such tutors he is well equipped to make the run for supervisor. His friends in San Mateo county believe he will be succcssful.

ROBERTSON TO SING WITH CHORAL SOCIETY

Harry Robertson will sing at the choral society's concert the evening of May 4 at the Alhambra. Mr. Robertson has made a fine impression with those who have heard him in concert or on the Orpheum stage. The choral society has been fortunate to obtain him as soloist for its first concert under the direction of Festyn Davies. This is Mr. Robertson's first appearance in his home city and his many friends will be glad of the opportunity to hear him. Captain Davies has trained one of the best choruses that ever sang on the peninsula.

JOHNSON'S PROSPECTS

Hiram W. Johnson, California's grtat senator, by his sweeping victory in Nebraska on Tuesday, is now a formidable contender for the presidency. His chances for the Republican nomination look bright and many believe he will win the coveted goal. Mr. Johnosn will carry California on May 4 with a large vote. He will defeat Herbert Hoover by a 3 to 1 vote. San Mateo county will roll up a big majority for him. This is evident from the enthusiastic Johnson rally held at San Mateo last evening. Admirers of the senator from all sections of the peninsula were present vociferously applauding every mention of his name. His majority in San Mateo county will be overwhelming.

Here is what the press of the country is saying about Hiram Johnson:

Hiram Johnson, having carried Detroit and San Francisco's street railway plan having been adopted, California will find in the voting, beyond a doubt, some sort of a boost for her climate.—Detroit News.

The Wood steam roller seems to have experienced a blowout.—Omaha World-Herald.

The great victory of Hiram W. Johnson in Michigan—40,000 majority over Wood, his nearest competitor, is in the only genuine primary preference vote so far held in the country.—Lincoln (Neb.) Tribune.

Democratic senators are frankly worried over the vote given in Michigan to Senator Hiram Johnson, the sworn "irreconcilable foe" of ratification of the treaty of peace.—N. Y. Telegram.

The Johnson followers will find in the New York results nothing to worry about, while they are justifiably elated over the outcome in Michigan.—Jersey (N. J.) Journal.

The victory which Senator Hiram Johnson of California won in the Michigan primary election yesterday was admittedly a great surprise and shock to the supporters here of the other aspirants for the nomination for president on the Republican ticket.—New York Times.

Senator Hiram W. Johnson is no longer a presidential possibility. He has become a probability.—Richmond (Cal.) Daily Independent.

We do not believe that Johnson's stand on the league of nations and the peace treaty was as much responsible for the vote in Michigan as was the fact that he was he only really independent candidate on the list, for there is no one who can say that Johnson is a mere politician.—The Blaine (Wash.) Journal.

The Hiram Johnson tidal wave has commenced. Michigan capitulated to the great western gladiator this week. This is only a commencement of the Johnson landslide.—Hayward Journal.

Facing an opposition which used money unsparingly, Senator Johnson made his personal appeal to the reason and good sense of Michigan voters unassisted by the lavish expenditure of funds. There was a big field to choose from and money had its say. But the public picked Hiram Johnson.—Detroit News.

There are times, as indicated by the vote for Hiram Johnson in Michigan, when the General doesn't lead. —Detroit News.

Michigan has shouted these words across the continent to California, "Johnson for President."—an Jose News.

A Hoover vote at the May primary is a Wood vote. Californians should not fail to see the issue. All hope of landing a forward-looking Californian in the white house will be lost if Hiram Johnson is beaten at home. Stockton Record.

Of all the candidates proposed there is not one better qualified and better fitted to be president than Hiram Johnson. Rooseveit knew this, and so do we Californians.—Vallejo Chronicle.

An $18,000,000 system of roads in the state is one of the mounments to Johnson. California highways are known all over the United States. But they were not that way until Hiram Johnson became governor and forced the state to build them.—Stockton Independent.

One of the things that make men who are weary of glittering generalities turn confidently to Hiram Johnson is that no one is ever in any doubt what his words mean.—Stockton Record.

SHORTRIDGE ENDORSED

Since announcing his candidacy for the Republican senatorial nomination a few weeks ago, Samuel Shortridge has fallen heir to a goodly share of support in the Republican press of the state. No section of California where a Republican newspaper is printed has overlooked the opportunity to endorse Shortridge edtiorially. In this regard, however, the Sacramento and San Joaquin valleys and San Diego and Imperial counties have particularly shown a preference for the local candidate.

In most instances the endorsing publications have commended Shortridge for his unswerving allegiance to the Republican party and his efforts in behalf of the party's principles during the past thirty-five years. Attention is also frequently called to his early advocacy of equal suffrage. No editor, however, has overlooked his oratorical ability.

Acording to advices from the Shortridge campaign headquarters, Republican papers continue to swing into the Shortridge line daily and present indications point to a practically unanimous endorsement by the G. O. P. editors prior to the August primaries.

REPUBLICANS FOR PEACE

The Republican vote on the peace resolution in the house showed 218 yeas and only 2 nays. The ballot correctly reflected the sentiment of the members on the president's peace treaty. It is the first time that the house has had an opportunity to cast a vote on the principles embodied in the league of nations and the practical unanimity of Republican opposition bears out the conclusion reached from the unanimous vote of senate Republicans—that the sentiment of the country is all but unanimous against the internationalism of the president as expressed in the league covenant.

A DECEPTION THAT FAILED

One of the early public proclamations issued by ecretary of the Treasury Houston after he moved over from the department of agriculture was that the public debt had been cut $700,000,000 during the month of March. Immediately, Mr. Mondell, Republican leader of the House of Representatives, exposed the fallacy of the claim and the treasury department had to issue an explanation which acknowledged that there would be a deficit instead of a surplus for the nine months of the current fiscal year. It will be a long, long time before the public will read any more prononucements from the treasury department without raising a question of their accuracy.

FORCING ECONOMY

Every time the Republican congress proposes a cut in appropriations the Democrats in charge of expenditures set up a howl that public service is to be destroyed. Every chamber of comemrce in the country, every farmer's union, every grange, every taxpayers' league, should adopt resolutions commending the congress for its efforts to bring the expenditures within the revenue.

WHAT A COMMUNITY CENTER IS DOING FOR PALO ALTO

(Kindness of H. Wilfred Maloney)

As San Mateo Council, K. of C. have very generously offered to turn over their beautiful building, together with club rooms, billiard and pool rooms, magnificent gymnasium and swimming pool built at a cost of something like $90,000.00, to the people of San Mateo, to be used as a Community Center. The writer would like to bring to the notice of the people of San Mateo and vicinity, just what is being accomplished in Palo Alto through such a "center." A spacious building erected near the heart of the city has been in operation almost a year and with very marked success. The building contains a large lounging room used also for lectures, meetings, community dancing, amateur dramatics, aesthetic dancing, classes in gymnastics etc., together with smaller rooms in which classes in first aid, home cooking ,nursing, embroidery, millinery, also classes in languages. The building also contains an employment bureau. Two full time athletic directors are employed, one for women and girls another for men and boys. Still another large room is set aside for billiards and pool, where in the young people of the community can spend their leisure moments. All this is entirely free to the people of the community, which is made possible by the very generous financial support given the project by the people in Palo Alto and vicinity. The Palo Alto Community Center is proving to be one of the biggest assets of which the city can boast; rendering as it does a great service to the community.

San Mateo Council K. of C. are to be sincerely congratulated for their unselfish generosity in the work which they are undertaking and from which the people of San Mateo and surrounding country will receive so many benefits. This is especially true of the young people of the community, as they will be able to find a "center" for their athletic and recreative pursuits and where they will be surrounded with an atmosphere, only be healthy but beneficial. That the good people of San Mateo will not be found wanting with such a golden opportunity within their grasp goes without saying, a generous finan cial rally to a cause worthy, indeed, is all that is now necessary to set under way a movement that will in the course of a few months render to San Mateo and vicinity many, many returns that cannot be measured in dollars and cents. Pride in and loyalty to one's community is the key note of good citizenship.

SOUNDS FISHY, BUT TRUE

Frank Harris, an employee of the San Mateo Times, underwent an operation at the Lane hospital, San Francisco this week, for the removal of a fishbone which had lodged in his throat.

FINE FEATURES FOR FLYING FESTIVAL

Two of the most talked of features in connection with the festival of sports being planned in connection with the big Aviation Day celebration at Redwood City on May 1, are the all-star boxing show to be staged in the Alhambra Theater on Friday night, April 30,, and the 16-dog coursing stake to be run on the aviation field the following morning.

The boxing card as being mapped out by the committee consists of all special features and will include all the local stars of the 4-round game, as well as some of the best boys from outside. Jack Downey, formerly of Redwood City, and one of the best heavyweights in the game, will be seen in action in the double main event, while Dick Donnelly, a local boy, will meet Willie Robinson, one of San Francisco's best drawing cards. As a special event Al Anderson, a local boy, well known to all peninsula boxing fans, will tangle with Johnny Wessley of San Jose. Bobbie Torres, who always gives the fans a run for their money, will hook up with Frankie Fradella a very fast bantam, while Choke Torres and Ted Henry will stage another of their hair-raising exhibitions. This will mark the third meeting between these shifty exponents of the manly art and should prove one of the most sensational goes on the card. The last meeting between these two gladiators at San Mateo on Tuesday night was easily the big attraction of the evening and as each boy now has a win to his credit, the third clash should prove a humdinger.

The coursing stake seems to be gaining in popularity every day and from present indications some of the best greyhounds in the state will be seen in competition.

George Heintz, leading clothier of Oakland, who, together with John H. Rosseter, R. K. Malcolm, Dr. Fred Clark and other leading citizens of the state, is a member of the board of directors of the Golden State Coursing Club, has written the committee pledging his support for the meet and nominating some of his best dogs for the stake, including "Cricketer," winner of the futurity run at Merced last February.

PENINSULA HOTEL OPEN FOR PUBLIC INSPECTION

The Peninsula Hotel, one of the beauty spots of San Mateo, opened its doors for public inspection Tuesday. Many notable improvements have been made about the grounds, including comfortable couch-hammocks and seats for the guests.

New pipes have been installed in the boiler room, and the heating system is now in first-class shape. The management reports that advance bookings are good and that a month from now should find the big hostelry doing a capacity business.

STATE CONFERENCE OF SOCIAL AGENCIES CHANGED DATE OF MEETING TO MAY 5th TO 8th

Because of conflict with the State Primary Election, the State Conference of Social Agencies has changed the date of its meeting in Riverside and will be held May 5th to 8th.

It is hoped that all residents of this county, who are interested in civic betterment, will make an effort to attend, for there could be no greater impetus for the good of a community, than to have a group of its citizens feel the inspiration of such a meeting.

At the coming meeting a permanent organization is to be effected, so that the work may be continued throughout the year.

The war taught us the value of propaganda. Why not carry the lesson home to our county and learn how best to serve our community?

There is a sliding scale of membership, the annual dues being from $1.00 to $9.00. So far San Mateo county falls far short of her quota of forty members. Surely there are many more than these interested in her welfare.

Kindly fill out the accompanying space and send to the County Treasurer, Mrs. Charles M. Woods, R. F. D. No. 1, Redwood City.

MEETING IN CITY HALL

Several ladies, related to members of the American Legion, Redwood City Post, No. 105, met at the city hall Thursday evening for the purpose of forming an auxiliary of the American Legion, Redwood City Post, No. 105. Those present were very enthusiastic, and we have great hopes of being well organized and down to work in a short time. There is much work for us to do. We that have not been brought to sorrow through the war, have to look out for those less fortunate.

It is the duty of mothers, wives, sisters and daughters, who enjoy the great privilege of affiliating with these men to come and back up these men in their noble efforts and work, as we did during the days they were far away from us. We are endeavoring to send cards to all eligibles, announcing a meeting in the city hall, Wednesday evening, April 21st at 8 o'clock sharp, but should anyone fail to get a card, please come just the same.

The temporary officers as elected are:

Mrs. McAuliffe, chairman; Mrs. Eric Thompson, secretary; executive committee, Mrs. M. E. Quinn, Miss G. Hind and Miss May M. Quinn.

We wish to thank William Bodirsky, Lyle Clark, Frank Quinn and Fred Zimmerman for their assistance in getting us started, and we wish to thank the Post for its sanction and permission to organize, for without the consent and endorsement of our boys we could not form our auxiliary.

MARY M. QUINN.

PALO ALTO WOULD LIKE TO CONSOLIDATE DISTRICTS

Palo Alto is still agitating for the consolidation of the Sequoia Union high school district in San Mateo county with the Palo Alto Union and Mountain View districts in Santa Clara county. The Palo Alto Times says:

A joint conference of the school boards of the Palo Alto and Mountain View high schools is to be held on April 8 or 9, when the subject of further unionization of high school districts is to be discussed.

In the opinion of Principal Walter H. Nichols of the Palo Alto high school, the trend of development in the school situation, marked by increased growth in attendance and the present immunity of certain districts from high school taxation, notwithstanding that the same districts send pupils to the schools, means that a reorganization of the high school system for the territory now embraced in Mountain View, Palo Alto and Sequoia (Redwood City) union high schools is in order. In Nichols' opinion each of the present districts would benefit by a consolidation of the three districts into one larger union district, with a junior college located at one point, and project schools including a thoroughly equipped agricultural school, at others. The points at which each type of school in the joint arrangement would be located, would depend, he says, upon which was the best suited for this particular type in mind.

Nichols gives figures showing that the assesed valuation of the property in the three union districts now total $21,230,680, and that in elementary school districts adjoining the high school districts property having an assessed valuation of $2,427,030 escape high school taxation. Under the scheme of greater unionization he says the taxes would be distributed more equitably. The following figures are given on the three union high schools:

Sequoia Union High School—Students enrolled, 170; teachers, 9; teachers' salaries, $17,840; principal's salary, $2,790; assessed valuation, $10,780,725.

Mountain View High School—Students enrolled, 120; teachers, 7.5; teachers' salaries, $14,060; principal's salary, $2,750; assessed valuation, $3,792,050.

Palo Alto Union High School—Students enrolled, 550; teachers, 21; teachers' salaries, $32,490; principal's salary, $2,800; assessed valuation, $6,657,905.

Total for the three foregoing districts—Students enrolled, 840; teachers, 37.5; teachers' salaries, $64,390; principals' salaries, $8,340; assessed valuation, $21,230,680.

REALTY SALES

Through the office of the University Realty Co. David Atkins has purchased 200 acres of land formerly the property of Judge Isiah Hartman, adjacent to the county line of San Mateo county, and lying along Ano Nuevo creek. This property, which is largely wooded with redwoods is close to the 400 acre country estate purchased some time ago by Mr. Atkins through the same office and is almost adjacent to the 2000 acre estate of Theodore J. Hoover, at Waddell Creek.

These properties are rated the finest in the coast country, and are forming the nucleus of a considerable settlement at Ano Nuevo Point.

James C. Lunt ha sold to C. W. Renwick and John Hedley his 25 acre place upon San Francisquito creek, near Stanford Park. The land is developed with a fine country home barn, garage, and other buildings, and the new owners, who are already in possession, are planning to devote both this and the adjacent thirty acres, which they are leasing of Mrs. Henrietta White, to the production of potatoes. The sale was negotiated through the office of the University Realty Co.

Wm. D. McCann has purchased of Miss Hortense Lagarde 31 acres of land upon the Canada Road, at Woodside. This is the third purchase made by Mr. McCann of contiguous properties, and it is the purchaser's intention to develop a model farm and coutry estate. The land is level and has been farmed intensively.

Mr. McCann's total holdings now comprise 107 acres, and extends close to the line of the Mortimer Fleishacker estate. All of the sales were made through the office of the University Realty Co. and include a portion of the Spring Valley Water Co's. holdings.

The purchase price of the Lagarde property was about $700 per acre.

There they will see the races and may indulge in light "wines and beer," as the prohibition laws do not extend to the southern republic.

The people of Menlo Park will be pleased to know that there will be no shortage of water this season. There is an abundant supply at the Bear Gulch lake for all purposes. During the year the dam was raised considerably so that the volume of water in storage will be a third more than last year. The lake is filling up rapidly and is a few inches of the top. The late rain will cause it to overflow.

David M. Roche, eldest son of David Roche of this place, was united in marriage in St. Joseph church, San Francisco on Monday last to Miss Evelyn Higgins of San Francisco. Father Mulligan officiated. SAN CARLOS ITEMS

JOHN E. COWGILL, CORRESPONDENT

Fred H. Drake, manager of the San Carlos properties last Sunday made sales of property to the following people, all of San Francisco, who expect to commence the construction of new homes as soon as plans can be made and material assembled: Geo. H. Patterson, F. H. Rand, Charles Faiffield and Mrs. Alice Lane.

The business men of San Carlos haven't fallen for the overalls craze; but have been doing the more sensible thing that of patching their old clothes and wearing something of warmth so long as it will serve to hide their nakedness and leave the overalls for the man whose work particularly requires this sort of covering to protect what little woolen clothing he still has. It may be a matter of pride in those who have adopted the overall fad, that of covering up their patched clothing, and hence there may be method in their camouflaged madness. It might be all right for our underpaid country editors and preachers, who are in a class by themselves, to adopt any sort of old covering that will let them get by.

An important special meeting of the San Carlos Community Club at the School House Saturday, 24th, at 8 o'clock P. M.

In addition to the launch party and picnickers from San Francisco there were other guests at the Ohio building last Sunday: Leonard L. Dalve and friends came up by launch from Redwood City; Mr. and Mrs. Wm. F. Chipman of San Francisco and Mr. and Mrs. Dick Shields of San Carlos; Father M. Murray, in charge of the Belmont school and four students, B. Donlin, B. D. Hancock, Lowry Winston and John Casserle autoed out to the building.

Mr. E. C. Wilson and his wife and little two-year-old girl formerly of Berkeley moved into their new home on Chestnut street last Wednesday. Relatives of Mrs. Wilson who are to make their home with them comprise four generations. Mrs. M. D. Graham and Miss Mabel Graham, mother and sister of Mrs. Wilson, and Mrs. J. Douglas, Mrs. Wilson's grandmother and the bright little Miss Vivian make up this interesting family.

At the last regular meeting of the San Carlos Community Club a committee was appointed headed by Mrs. Mary E. Quinn to co-operate with the principal of our school, Miss Gertrude Hind to prepare a float and arrange for the school children to participate in the parade part of the entertainment at the big May Day celebration at Redwood City.

Mr. and Mrs. J. C. Hamel who recently surprised their friends by announcing their marriage after it was all over except the charivari, in company with Mr. G. W. Hollister of San Francisco autoed down from the city last Sunday and were picnic guests of Mrs. C. M. Hammel, mother of Mr. Hammel, at the Selby tract.

The ladies of San Carlos who attended the meeting to arrange for forming an auxiliary to the Redwood City Post, No. 105, American Legion were Mrs. Jno. V. Clark, Mrs. Mary E. and Miss May Quinn. There is only one other family in San Carlos, so far as we have learned, whose ladies are eligible to become members of the auxiliary. This because of lack of boys in San Carlos who were old enough to join Uncle Sam's forces in the world war, and not from want of patriotism.

Mr. and Mrs. J. A. Lockie went to San Francisco for a week-end visit with friends and relatives.

Miss Glenn Park of San Francisco was the guest of her class mate Miss Clare Jones over Sunday.

Mr. Fred Chilcott the prominent abstract of title man of Redwood City made a rushing business trip to San Carlos last Saturday.

The first presidential candidate who appears in overalls without the union label is defeated already.

Miss Georgie Zeh of San Carlos has again supported her blind teacher, Mme. Christine La Barraque, in a well sustained program before a large and appreciteive audience at the Greek Theater in Berkeley. The program was given Sunday afternoon May 18. Miss May Scott of San Francisco was at the piano. The following program was rendered.

(a) Chanson Provencal..Dell 'Acqua
(b) Mignon ..... d'Hardelot
Mme. La Barraque, Soprano.
L'Addio ..... Nicolai
Mme. La Barraque and Miss Zeh.
Mia Pieeirella.....C. Gomes
Miss Zeh, Contralto.
(a) La Partida..... Alvarez
(b) La Paloma..... Yradier

La Nuit Est Belle.....Gounod

It was a gay party which boarded the launch "Three Brothers," with Captain Robison in charge, in a cruise down the bay for an outing at the Ohio building last Sunday. Capt. Dranzy A. Jones of an Carlos with the cutter Mary E., met the happy party at the mouth of Steinberger creek and acted as escort to the landing at the Ohio building. The party brought lunch along so that they might picnic with J. L. F.McLain, the proprietor of the building. Having provided themselves with an orchestra the young folks enjoyed many hours of dancing in the big reception hall before time to set sail for their return trip to the metropolis. The party was made up of the Misses Ula and Zeta Harrison, Elfrida Pope and Althea C. Austin of San Francisco; Misses Edna I. Kendall and Ruth Allen, Oakland; Lieut. J. W. Crigler, Messrs. Alfred J. Schlichtman, W. F. Rasmussen, C. A. Pope, John Verdugo, Alfred J. Bellue, Aubrey O. von Hieser, V. W. Hartley, William Jenkins, George von Glahn, Arthur Lambertson and Captain Robison. It is expected that a large party from the Agronoptic Boating Club will sail down for an outing at this popular resort next Sunday.

LEGION AUXILIARY WANTS VOLUNTEERS

The Women's Auxliliary Unit of the American Legion, Redwood City Post No. 105, has been asked to see that a basekt lunch is prepared for the visiting service men that will be in Redwood City on May Day.

The auxiliary sent out an S. O. S. to all women's organizations in Redwood for assistance, and we want to say that all have responded most willingly. The basekt (rather box) is to contain lunch for two. Sandwiches, cake or pie and fruit have been suggested as the contents. Each donor is to use her own judgment and pack the box as though it were her boy that would receive it. The boxes are to be taken to the Odd Fellows' Hall, Main street, and will be served between the hours of 5 p.m. and 7 p.m. Mrs. J. McAuliffe, chairman of the auxiliary, will be there to receive the boxes and anyone wishing information about the same can communicate with her at once.

We issue this call for volunteers to those ladies who do not belong to any local organizations, knowing that they will rally 'round the service boys once again and help. Ladies, we will appreciate your interest and assistance. The restaurants will not be able to accommodate half the people that will be in town.

Thanking all those who have pledged assistance and to those that will, we are, Yours,

SON SEEKS TO ADMINISTER DONOHOE ESTATE

Joseph A. Donohoe of Menlo Park has applied for letters of administration in the estate of his mother, Emelie Donohoe, who left property valued at more than a million dollars when she died at her San Francisco home on February 26 last.

So far no will has been found, Donohoe declares in his petition, and the only heirs at law are the two children, Joseph and Marie Emelie Parrott, widow of the late John Parrott of an Mateo.

Mrs. Donohoe was the widow of Joseph Donohoe, Sr., pioneer banker of San Francisco, head of the Donohoe-Kelly Banking Corporation.

KENDALL SUIT CONTINUED—

The divorce suit of Fred J. Kendall against his wife, Carmelita B. Kenadll, for an interlocutory decree of divorce, was up for trial Thursday morning on the cross complaint of Mrs. Kendall. She had two other witnesses to corroborate her charge of cruelty, but they had no direct evidence to give. All they knew about the Kendalls was merely hearsay. The court continued the case until April 29. Neither Kendall nor his attorney, John L. McNab, was present to contest the suit. Mrs. Kendall was represented by John B. White of San Francisco.
